## The four pillars of Los Sotano (The Basement)

**The Drinks:** Look, Rob Kariakin, one of LA's top mixologists loves tequila and mezcal. (Don't we all?) So when we convinced him to join us here in HK to create our fun and innovative craft cocktail menu, he brought a ton of Mexico's finest agave spirits with him, many of which you won't find anywhere else in HK.

**The Food:** Chef Abel Ortiz A, formally of Central restaurant in Peru (4<sup>th</sup> best restaurant in the world), introduces his stylish twist on authentic Mexican dishes. The Street Tacos, Ceviches and Tableside Guacamole were made with Rob's cocktails and our extensive tequila y mezcal library in mind.

**The Art:** Miami graffiti trio @urbanruben, @iam\_orgie and @golden305 traveled to HK exclusively for Los Sotano to create the one of a kind murals seen throughout the venue. The three have critically acclaimed street murals and exhibitions across Miami, including solo shows at Art Basel.

**The Music:** Curated by Sol Passion Music, Los Sotano boasts a playful and eclectic selection of music, fluctuating between bootleg remixes of old school hip hop and irresistible, deep Latino-inspired beats. Catch our live DJs every evening from Thursday to Saturday.
